

ORONGO BAY HOMESTEAD

Cellar Reserve and Wine List

Summer 2020

Our special, often personal relationships with the country's top winemakers and our historic underground cellar allow us to mature some rare and extraordinary New Zealand wines. Recently we have included some impressive Californian wines. We offer a convenient but small selection on our blackboard list by the glass, but for greater enjoyment we really encourage you to consider a bottle from our special cellar reserves, as many are now unobtainable. We are delighted to vacuum seal a bottle so you can enjoy it over a day or two. If you prefer to go "off-piste" just ask us to ferret out something unique from the darker corners of the cellar! We favour sustainably grown or organic wines and support family wineries.
